By Jack Masters

Rain-soaked and weary, after competing in ten nerve-racking events, Harrison Thomson, of Princeton, walked off the field at Weequahic Park, Newark yesterday afternoon with his mother at his side, and the old medal emblematic of the decathlon championship of America safely tucked away in his sweater. Thompson, who is also the national all-around title holder, fought his way through a field of nine of the most versatile athletes in the country, and his performance was the outstanding feature of the close of the titular track and field struggle which started last Friday.

C., which scored a clean sweep at Passadena last year, was forced to relinquish two title trophies. One went to the Meadewbrook Club &f Philadelphia and the other to the Boston A. A. Although the decathlon started at 10 c'clock in the morning it was not intil 6 p. m. that the final result was known. Shortly before this hour the competitors engaged in the last battle, a race at 400 meters, and Harold M. Osborne, of the Illinois A. C., who was pressing Thomson for the lead, knew that he must beat his rival by twenty-live seconds clapsed time to wrest the hat he must beat his rival by twentyhve seconds elapsed time to wrest the

in the half-mile relay, for instance, the newly formed Meadowbrook quartet romped to a three-yard victory over the "Winged Footers!" in the amazing time of 1:29, as against 1:272-5, the world's mark made last year by the New Yorkers. Again, in the one-mile relay, the N. Y. A. C. team won in holow fashion in 3:21, only three seconds slower than the record.

Four teams lined up for the half-mile race. Running in order for New York was Wefers, Lovejoy, Taylor and Farrell; for Meadowbrook, Le Coney, Woodring, Rodgers and Altmaier. Hayes, Driscoll, Hile and Dudley wore the Boston A. A. colors and Anderson, Murchison, H. Jones and P. Jones rep-resented the Illinois A. C. Le Coney led Hayes and Wefers in order to the tape over the first leg of

ten yards. Driscoll was second here, and as Lovejoy had been completely outrun it appeared that the New York-ers were hopelessly out of it.

## Fast Running by Taylor

Rodgers relieved Woodring in the ext sprint and, aided by a perfect ead to only twelve yards. Another perfect pass of the baton and Alt-naier flaunted the Meadow Brook colors down the straightaway to the finish

Fordham bay figuratively ate space in that last sprint. With fifty yards to go he was six yards behind the flying leader and, swinging down the stretch at terrific speed, the Fordham boy missed his man by a scant three yards. Farrell's time for the last 220 was not taken, but it is safe to say that he ran the fastest race of his brilliant career. Three teams started in the two-mile race, which was won by the New York A. C. Dudley, Kirley, Marsters and the veteran Connolly made up the Boston A. A. four, while Sellers. Joe Higgins, Malone and Helffrich wore the Winged Foot, and Gustafson, Yates, Wharton and Spink carried the Illinois A. C. shield.

At the start Gustafson shot into the lead, with Dudley and Sellers following in order. Excepting a challenge by Dudley, which Gustafson staved off, there was no action until the turn for home on the last lap, when Sellers made up six yards in moving from last place to the head of the column. This great sprint enabled Joe Higgins to lead Marsters slightly at the start of the second leg.

SYRACUSE, N. Y., Sept. 11.—With all of the leading Grand Circuit drivers here except the veteran Geers, who is exhibiting Sanardo in the Middle West, the Syracuse meeting in connection with the State Fair got off to an auspicious start to-day. Honors in the opening program, consisting of three class events, each for \$1,000 purses, were divided by Alonzo McDonald, Murphy and Ray.

McDonald, with Dottic Day, had an easy time in the 2:09 class trot, winning three straight heats and making the best time of the day, 2:05½. Worthy Mary, driven by Harry Fleming, was second in each heat, and Edith Orthy third.

Murphy piloted Plain Mac to decisive victory in the second event, the 2:15 class trot, winning in straight heats. The Frisco Belle, with Ray

Sally's Alley, Tufter, Lucky Hour and Cyclops Show Sensational Performances

By W. J. Macbeth

Students of the thoroughbred who closely associate class with the tick of the stop watch had a surfeit of not previously attained this season Willis Sharpe Kilmer's Sally's Alley proved herself one of the finest twoyear-old fillies of 1922 when, under 126 pounds, she sprinted the opening five furlongs through the chute to wil

in the sensational time of 0.56 2-5.

H. Alterman's old cripple Tufter beat four other platers in the mile feature, the Nassau Selling Stakes, in the sensational time of 1.36 3-5. The Lexington Stable's Lucky Hour, in winning the fifth race at the same distance, stepped a wonderful 1.36 1-5, the fastest mile of the season, and one only three-fifths second slower than the track record set by Audacious on June 1 last year.

Then, to cap the climax, R. L. Gerry's Cyclops, in the last race of the day, clipped four-fifths seconds off the chute record when he ran five and a half furlongs in 1:03 flat. The former record of 1:03 4-5 was established by August Belmont's Friar Rock, under 106 pounds, July 17, 1915. Cyclop's effort was much the more impressive, as he carried 117 pounds.

The victory of Sally's Alley in the opening brush established this filly as, perhaps, the best juvenile of her sex this year. Her performance under the crushing weight of 126 pounds was brilliant. It is true that the thoroughbreds were greatly favored in their races through the chute as a
